May God Bless Each of You,  
The Jones Family & O'Neal Family

## Happy Father's Day!!

Fathers are the biggest source of strength for a child. The innocent eyes of a child perceive father as the all powerful; most knowledgeable, truly affectionate and the most important person in the family. For daughters, fathers are the first men they adore and fall in love with. For sons their fathers are the strongest person they know and someone they aspire to emulate.
